Every child deserves an opportunity for an excellent public education.

The Delaware charter school community is vibrant and growing. The Delaware Charter Schools Network (DCSN) needs you to help us advocate for the school choice movement in Delaware. To that end, we invite you to join our charter community by participating in our business sponsorship program, which allows businesses to bring their message directly to the charter school community through a variety of methods.

Charter schools in Delaware are more than just 24 schools – they are over 1200 school leaders, faculty and staff, more than 15,000 students, and tens of thousands of committed parents, friends, community members, and corporations and the charter school community is growing every year. All of these charter school supporters look to the Network as a source for information, as a DCSN business supporter, they will know that you, too, have joined our community and are deserving of their support.

Please consider sponsoring the Delaware Charter Schools Network celebrating our annual IDEA Awards or the State of Delaware Public School Choice Expo. As a sponsor of the DCSN, you can support the charter school community and be included on our website and our charter school directory. Both are seen by thousands and used as a point of reference throughout the year. Please contact our office by September 1, 2017 and we would be happy to provide you with additional information.

We thank you for your consideration.

Best,

Kendall
